If you know any other zombie survival thriller games for iOS and Android, please leave a comment below. Zombie survival is an extremely popular game genre. The number of zombie survival games released for the mobile gaming industry is constantly growing. These games usually include not only a simple shooting mechanism to fight zombies, but also other survival elements such as gathering resources, crafting weapons, and building shelters to defend against incoming hordes of zombies. In this article, we will introduce you to our best zombie survival games that you can play on your Android device. Last Day on Earth (Images: Pinterest) Last Day on Earth is definitely one of the best zombie survival games on Android. The game combines elements of resource gathering, looting, and weapon crafting to create a game that will keep you entertained for hours. Last Day on Earth is centered around your home base, which you must build as quickly as possible before it gets destroyed by the usual zombie hordes. The game allows you to keep dogs as pets and also allows you to breed even stronger and more ferocious dogs from them to protect you! 2) The Walking Dead: Our World The Walking Dead: Our World (Image credit: AMC) The Walking Dead: Our World is an augmented reality location game set in the universe of your favorite zombie series of the same name. Players can collectrescue survivors, build and maintain shelters while fighting strays. You can also unlock legendary characters like Rick Grimes or Daryl Dixon in the game, so you really feel part of the Walking Dead world. 3) Last Shelter: Survival Last Shelter: Survival (Images: Gameplay tips) Last Shelter: Survival is a zombie survival game that focuses more on building and maintaining the perfect shelter than the fun of resource gathering or combat against zombies. You play this game as the overseer of a new post-apocalyptic colony that must be maintained with ample resources and enough civilian army to protect your walled city from the attacks of zombies lurking behind the fence. 4) Grim Soul: Dark Fantasy Survival Grim Soul Dark Fantasy Survival (Image credit: Cryd's Daily) Grim Soul is a zombie survival game from the creators of Last Day on Earth and follows much of the same game mechanics. However, one thing that sets it apart from others is that it's a post-apocalyptic zombie survival game with a medieval theme in which you'll encounter enchanted and mutated zombie knights. You can build your own base or castle to protect yourself when you go hunting for prey. You can also craft good weapons and armor to continue the game. 5) Dawn of Zombies Dawn of Zombies (Image credit: Johan Faith, Youtube) Dawn of Zombies is a game that focuses on fighting zombies as well as resource gathering and weapon crafting. In this zombie survival game, the player must rescue survivors in distress and then make them hold your base while fighting zombies and gathering resources for your survival. The game can be quite challenging at times, but there are many different missions to take on as well as new locations to plunder to keep you busy for hours. That's why we've gone ahead and rounded up the best zombie games for Android in 2022, including great free games and premium options so that everyone can find something for their zombie fighting needs. 2 imagesGoogle Play" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> Google Play" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> Forget fast zombies, bulky zombies or exploding zombies for a moment. How about zombies the size of a skyscraper? Welcome to Dead Trigger 2. In this apocalyptic first-person shooter, you will not only have to stand up for yourself, but also help other survivors by firing a sniper rifle.Face to face with a variety of weapons. Fortunately, most of them will return the favor by joining your base of operations and crafting valuable items. Control your character with the on-screen digital controls and guide them through abandoned ruins. Avoid zombies by using a variety of weapons and help the survivors, perhaps by gaining new allies. Unlike Dead Ahead and its sequels, Dead Trigger 2 is more serious in nature. 2 images from Google Play" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> Google Play" data-modal-id= single-image-modal data-modal-container-id= einzelbild-modal-container data-img-caption=""> The apocalypse has finally happened! Zombies have taken the world by storm and it is believed that there is only one safe place left on earth. Take control of an unlikely group of survivors as you traverse the treacherous roads between Florida and Canada. Death Road to Canada is an undead action role-playing game where you face off against hordes of flesh-eating monsters. You can recruit new heroes to your cause to boost your offensive abilities. However, this has its drawbacks, since each character requires a weapon and consumes valuable supplies. Death Road to Canada costs \$9.99 but is also part of the Play Pass. You'll also get jokes written by a real Canadian, making your trip to Canada really humorous. 2 images from Google Play" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> Google Play" data-modal-id= single-image-modal data-modal-container-id= einzelbild-modal-container data-img-caption=""> Doomsday is an isometric adventure game that takes you to a world ravaged by undead. It takes obvious references to popular games of the genre like The Last of Us and Lollipop Chainsaw. For example, the group you take on includes a grumpy middle-aged man with a bushy beard and a handsome teenager in a baseball cap.does it look like joel and ellie? In the beginning, you also meet a cheerful girl in a school uniform who kills zombies with a pink... chainsaw. Frequent encounters with zombies allow the use of conventional weapons and abilities unique to each character. 2 Google Play images" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> Google Play" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> Dysmantle is an Android game that has already received a lot of positive reviews in the Play Store. Prepare for almost every aspect of surviving the zombie apocalypse: gathering and cooking food, hunting and scavenging. The main advantage of the game is the ability to destroy and obtain materials from almost any object. Turn materials into weapons and supplies to help you fend off the undead as you inevitably set off to explore the apocalyptic wastelands. The \$9.99 Dysmantle is also quite an expensive mobile game. However, this is a small price to pay for no ads or in-app purchases. 2 Google Play images" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> Google Play" data-modal-id= single-image-modal data-modal-container-id= einzelbild-modal-container data-img-caption=""> Into the Dead 2 tells the story of a father who is desperate to return home to his family. Seemingly endless waves of undead stand in his way, and you must guide him through desolate fields and gloomy forests while avoiding danger. You will unlock new weapons to protect yourself as you progress through levels and complete various tasks. Dead 2 strikes the perfect balance between risk and reward as the loot lies among the zombie hordes. Are you running for safety? Risk death trying to grab valuables? The choice is yours and if you choose the wrong one, you are dead. 2 Google Play images" data-modal-container-id= single-image-modal-container data-img-caption=""> Google Play data mode As of No Man's Land is an officially licensed video game adaptation of the series featuring the main characters of The Walking Dead franchise. In other words, expect characters like Daryl , Mayor le , Abraham and many others will join your cause. Combat takes place on a grid-based field, and you level up by completing requirements such as killing all zombies or collecting all supplies. At its core, The Walking Dead No Man's Land is a strategy game full of countless things to craft as you build your team. 2 Google Play images" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> Google Play" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> The Walking Dead definitely deserves more than one mention. This time with the survivors. Based on the Survivors series, this is an isometric tower defense game where you recruit heroes and gradually protect your settlement from attacks.hordes of zombies. Survivors also features characters from the series including Glenn, Rick, Shane and many more. With a bit of luck you can hire them to help you fortify your base, build watchtowers and repair surrounding walls to hopefully survive the next zombie attack in this tower defense strategy game. 2 imagesGoogle Play" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> Google Play" data-modal-id= single-image-modal data-modal-container-id= single-image-modal-container data-img-caption=""> Zombie Warfare takes a more tactical approach than Dead Ahead. In this sequel, you take control of an armored bus and a group of survivors. Your goal is to drive a bus through the zombie-infested wasteland, clearing the areas of the undead and replenishing valuable supplies. Zombie Warfare is developing more slowly. In most levels you send your troops to the barricade to tear it down and let the bus move on. Of course, the zombies won't let you and each level turns into a race to clear the way while protecting your bus from attack. Android is a goldmine of free zombie games, spearheaded by games like Dead Ahead and Into the Dead 2. But if you want to make the top ten, there's nothing quite like Death Road, to Canada and disassemble. Have you played any of the games on our list? Your loved one is missing? Tell us about it in the comments below and we might include it in the next update. And if you want to enjoy these zombie games with touch controls, maybe one of the best Android controllers can help you. Outside.
